**S**Ocial activities seem to have been in the ascendancy recently, with the Barbecue in June followed by the Am'n'eggs dance a week later. Both were a hilarious success. The dance, held at Llansantfraed Court, Abergavenny, a new and delightful venue, was well organised by our Chairman and Hon. Treasurer whose efforts were rewarded with a full house.

Coming shortly we have a navigational practice run on 20th August. Start from The Castle Hotel, Tredegar, 7.30 to 8 p.m. (Map 141).

On 2nd September we hold our first Sprint meeting at the R.A.F. Station, St. Athan. The run is one of half-a-mile on a perfect surface; there will be classes for all types, and we particularly want to see some of you characters with the everyday transport whose past performances are so exceptional when discussed over the Club bar. The organisers hope very much that you will ensure the success of this, our first speed event, by making certain you enter, and please do get your entry in in good time.

The first of the 1962/3 Club nights will be held at The Castle, Tredegar, on 3rd September, 8.30 p.m. Summer activities conclude with a further navigational practice run on 26th September starting from The Castle at 7.30 p.m.
